In order to do this, the Chamber facilitates networking within its membership and enables the marketing of members' products and services to other members and to British companies seeking partners within Kenya.

It is therefore necessary for the Chamber to maintain a Directory that provides key information about members. The Directory of Graduate Members can be viewed by other members of the Chamber and may list all information provided in this form. **By signing this form you are consenting to the data you have provided appearing in the British Chamber of Commerce Kenya Directory of Graduate Members.**
